

JUSTICE IS SERVED

PICKLEBALL TOURNAMENT

*PRESENTED BY COURT APPOINTED
ADVOCATES OF SOUTHEAST TEXAS*

Dear Friend of CASA,

Our Justice is Served Gala is quickly approaching, this year taking shape as our first Pickleball tournament. The event will be held the weekend of May 3rd.

Court Appointed Special Advocates of Southeast Texas, Inc. (CASA) is a non-profit, non-governmental, 501©3, service organization that recruits, trains, and supervises a diverse group of community volunteers, appointed by the Courts, to advocate for abused and neglected children in the pursuit of safe, permanent homes. CASA has been advocating for the best interest of children in foster care in Jefferson County for more than 32 years. To continue to support this work, we will be hosting our annual Justice is Served Fundraiser on May 3-5, 2024. In addition to the sanctioned tournament, we will host a ticketed brunch at the same venue on Saturday. All of the funds raised at the Gala will benefit over 400 hurting children in Jefferson County who continue to be displaced by abuse and neglect. These children welcome your support.

Through continued support from the community, CASA has become a very effective and reputable children's advocacy program. CASA accepts the assignment of one hundred percent of CPS cases because we believe that "every child deserves a chance" at finding permanency. We are grateful for your consideration of a sponsorship for our event this year. I have attached a list of the sponsorship levels that are available.

With the purchase of a sponsorship package, you are not just supporting CASA, but you are also speaking up against the abuse and neglect of children and you are also ensuring that the voices of every child in foster care continues to be heard. Please commit to helping us as we continue "building strong foundations for families."

Thank you for your support of CASA!
